**THIS MATTER** is before the court on periodic review of the docket. Such review reveals that the United States Marshal made its return of service of the warrant for arrest of the real property on June 2, 2010, and the government

certified its service by publication on June 14, 2010. While a settlement agreement has been reached with certain lien holders (Docket Entries #11 & #12), the government has taken no action to default potential claimants and reduce the Complaint to judgment, even though the time for filing claims expired on or about July 11, 2010, with no claims and answers having been filed.

## **ORDER**

**IT IS, THEREFORE, ORDERED** that a status hearing is calendared for January 28, 2011, at 11:30 a.m., in Courtroom #2 at the United States Courthouse in Asheville, North Carolina.

Signed: January 6, 2011
